

Hi EVERYBODY!

"TWILIGHT"

MADE

Lights of Santa Barbara sparkle in the distance as sunset gilds the water in this view from Montecito.

Santa Barbara Postcard Company

DOWN HERE (my moms A CRAZY DRIVER?)

WAKE UP TUESDAY MORNING ON A RUBBER MATTRESS IN A POOL OF (literally) STEAMING SWEAT. UGH.

I'M FEELING OK, THOUGH TALKING, EATING, AND SWALLOWING HURTS.

SANTA BARBARA'S NICE, SO FAR (MAYBE)

I'VE SEEN MORE HOT WILD COLLEGE GIRLS IN THE LAST 24 HOURS THAN I'VE SEEN ALL SUMMER!

THERE WAS A FARMERS MARKET ON THE DOWNTOWN MALL TODAY. GUERS WHAT? NO DRUM CIRCIN' HIPPIES!

IN FACT, I'VE ONLY SEEN ONE HOMELESS PERSON SO FAR...

THEY MUST LIVE UNDERGROUND LIKE CHUD.

ON THE WAY DOWN HERE I PONDERED HOW VERY ALIKE EVERYTHING IS.

I WAKE UP OUTSIDE OF PASO ROBLES THINKING I WAS OUTSIDE OF SALINAS.

ALL THE SHOPPING MALLS ARE THE SAME. SO MANY FRICKIN' PIZZA PLACES EVERYWHERE!

EVERY BLOCK IN SANTA BARBARA HAS PALM TREES, TAN STUCCO & PIZZA. SAW A NON-COMPETITIVE THOMAS KINKADEE TRADING CARD GAME AT LONGS.

SEE YOU SOON, CLYDE
